Coaches Feedback

Fantastic school, teachers were very keen to learn and develop and regularly asked questions relating to the teaching of skills. The school is one which I'm sure will use the coaching to their advantage in the future and will continue to develop their gymnastics lessons' - Gym coach
 'The school were very helpful and friendly. Their teachers provided me with good support throughout the lessons making it easier for me' - FMS coach
 'School was excellent, couldn't be more welcoming' - Gym
