

Hello Year 5!

Here are some activities and ideas you might want to complete at home.

Stay safe, stay happy and keep working hard.

Maths	TT Rockstars 15- 20 mins per day	Complete as many of the White Rose problem of the day activities as you can. https://whiterosemaths.com/resources/classroom-resources/problems/	Complete a Gareth Metcalf maths lesson. http://www.iseemaths.com/home-lessons/	Use this website to revise the topics we have covered so far. https://urbrainy.com/maths-games/year-5-age-9-10
Reading	Lexia Complete your required minutes.	Have a look at a non-fiction book and write about the features used and explain how it has been laid out.	Listen to some of your favourite poetry and stories by Michael Rosen. https://www.michaelrosen.co.uk/videos/	Draw a picture of one of the settings from the book. Write words and phrases from the book around it to describe it.
Writing	Have a look at the website. Each day they have a different picture to write a story about, questions to answer and silly sentence tasks. https://www.pobble365.com/	Write a diary extract for one of the characters from a book. Remember to include thoughts and feelings and write it in chronological order.	Choose a local attraction and create a persuasive leaflet to encourage people to visit it.	Research VE Day. Make notes of the facts that you find.
Foundation Subjects	Computing: Use the facts you found about VE day and create a presentation of your findings.	Science: Keep a nature diary about the different living things you have seen. https://www.nationaltrust.org.uk/features/no-48-keep-a-nature-diary	Art: Create a sign to send to your friends at Timothy Hackworth Primary School. Send a photo through ClassDojo.	PSHE: Find out what the words self-esteem and personality mean. Draw a picture of yourself and write all your personal qualities around it.
