WHO ARE SAVE THE CHILDREN?

Save the Children are a charity that raises money to help children in the UK and around the world.

Many children are struggling because of poverty, war, climate change or something else altogether. The most important thing is that something has happened to make their life more difficult than before.

We celebrate **Christmas Jumper Day** each year to raise money for Save the Children so that they can help children around the world to live happier lives.

MEET VIKTORIYA AND PARKER!

Save the Children set up a safe space for children like Viktoriya, where they can visit to feel a bit better. That's where Viktoriya was introduced to Parker.

Parker is a therapy dog and can sense when she is stressed. He helps her by being trained to know when she is sad, plays with her when she needs a friend, and stays with her at therapy sessions where she can talk about her feelings in a safe place.

**We're challenging every school
to create Origami Doves.**

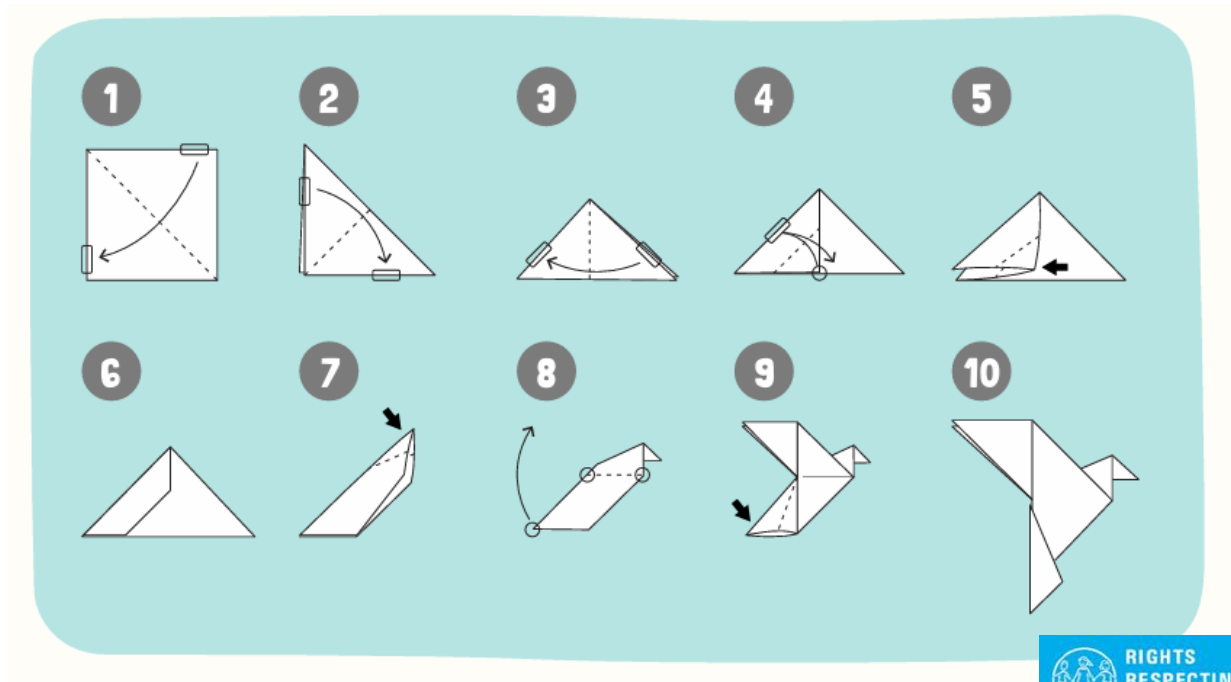

Within many cultures and religions around the world, the dove is a symbol of peace. It is a white-plumed pigeon, which for many people, represents hope, renewal, freedom and compassion.

Peace Doves

Make your dove special to you, to reflect what you think 'peace' means. You could think about what peace looks like, sounds like, feels like. How will you represent this on your dove?

Each person's dove will be different, just as we are all unique.
