Primary Engineers Celebration Event

Thursday 6th March 2025

CRC Article 28 – Every child has the right to an education.

Dear Parents and Carers,

We are pleased to inform you that your child, as part of a group of eight children, has been invited to The Primary Engineers Celebration Event. This event will take place on Thursday 6th March at The Dolphin Centre in Darlington. This is an opportunity for your child to take part in a variety of workshops and share with other schools how they have built their own locomotives. We know that the children will certainly enjoy some very creative activities!

There are no costs for this visit. If your child has a school lunch, a school packed lunch will be provided. If you intend to provide your child with their own packed lunch, rather than a school packed lunch, please let us know. Children who would usually bring a packed lunch to school can continue to do so on this day. Please ensure all children bring their water bottles.

It is very important that your child arrives to school on time, due to transport needing to leave punctually. Children will return to school for home time.

Children should wear their **full school uniform**, including appropriate footwear, as they will be ambassadors for our school on this visit. We appreciate that other children will be taking part in World Book Day back at school, so if your child wishes to bring their World Book Day pyjamas with them, they are welcome to change when they arrive back at the school.

Mrs. Paramore and Miss Pascoe are looking forward to joining your child on this visit. If you have any queries, please do not hesitate to contact the School Office.

Yours sincerely,

Mrs Paramore-Hall

Miss Pascoe
